### Bronx Heroes Podcast

August 23<sup>rd</sup>, 2021 - October 22<sup>nd</sup>, 2021

Remote

The Bronx Heroes Podcast shares weekly podcasts that talks to those making a difference in the Bronx. A colleague and I collaborated on creating a website that displays upcoming and exsisting episodes for the podcast with resources to both co hosts NGO's. Aswell as creating a set of UI guidelines for the client for updating the site in the future.

A Colleague and I were tasked to update an ex-sisting site for the client, with a newer take on their established brand guidelines. Our main goal was to increase overall traffic and engagement to the site.
